In consideration of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assign to **Healthpoint, Ltd.**, an Texas limited partnership, having an address of 2600 Airport Freeway, Fort Worth, Texas 76111, its successors and assigns the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, Serial No. 10/071,051 filed in the United States Patent and Trademark Office on the 8th day of February, 2002, entitled **LOW TEMPERATURE DISINFECTANT/STERILANT FOR MEDICAL DEVICES AND TOPICAL APPLICATIONS**, and in said application and any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent, applications, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said **Healthpoint, Ltd.**

For said considerations the undersigned hereby agree, upon the request, and at the expense of said assignee, its successors and assigns, to execute any and all divisional continuation and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent

~~that may be granted upon said application, and for the said~~
considerations the undersigned further agree upon the request of
said assignee, its successors or assigns, in the event of any
application or Letters Patent assigned herein becoming involved
in interference, to cooperate to the best of the ability of the
undersigned with said assignee, its successors or assigns in the
matters of preparing and executing the preliminary statement and
giving and producing evidence in support thereof, the undersigned
hereby agreeing to perform, upon request, any and all affirmative
acts to obtain said Letters Patent of the United States and vest
all rights therein hereby conveying in the said assignee, its
successors and assigns whereby said Letters Patent will be held
and enjoyed by the said assignee, its successors and assigns to
the full end of the term for which said Letters Patent may be
granted as fully and entirely as the same would have been held
and enjoyed by the undersigned if this assignment and sale had
not been made.

And for said considerations the undersigned hereby assign to
said assignee, its successors and assigns, the entire right,
title and interest in said invention or improvements for any and
all foreign countries and agree upon the request of assignee, its
successors and assigns to execute any and all documents that
undersigned shall be requested to execute in connection with any
and all applications for foreign Letters Patent therefor,
including the prosecution thereof, and to execute any and all
documents necessary to vest title in said foreign applications
and patents in assignee.

The attorneys of record are hereby authorized to insert the serial number and the filing date in the above blank spaces when received from the Patent Office.
